

Cancellation of Family Night Out

Due to the ongoing COVID pandemic the Township Committee of Maurice River Township has reluctantly decided to cancel Family Night Out which is scheduled for Thursday, August 6th, 2020.

The decision to cancel was not taken lightly and was reached due to the following:

- Funds through Municipal Alliance have been frozen by the state and this is the primary source of funding the event.
- The event requires a lot of planning ahead and organization with various vendors.
- Gov. Murphy's social distancing regulations make it virtually impossible to hold the event and it be fun for everyone involved. As of this date there is no set date for "opening up" the state or "modifying" the regulations.

The Township Committee of Maurice River Township thanks everyone for their understanding during this trying time.

Complaints regarding the social distancing and 'opening-up' the state should be addressed to Governor Murphy.
